About the plans

Every plan encrypts files at rest and in transit. Upgrades take effect immediately; downgrades take effect at the start of the next billing cycle. The public status API is limited to 60 requests per minute for every customer, independent of the plan.

Billing

Invoices are issued on the first working day of each month and are payable within 21 days. Annual contracts receive a 12% discount.

Service tiers and limitations

Tier	Limitations
Starter	50 GB storage; no shared folders; email support only
Team	2 TB storage; API limited to 1,000 requests per minute
Enterprise	No storage cap; audit log retained for 400 days
Education	Only for accredited schools; single sign-on not included
